Haw River, NC – GRACE CHRISTIAN ACADEMY has received a three-year term of Accreditation through The Association of Christian Schools International (ACSI), covering grades Kindergarten through 12th Grade!

The school hosted a visiting team on April 6-9, 2025. The ACSI Accreditation Commission met on April 9 and determined that Grace Christian Academy meets the requirements to earn ACSI Accredited status.

ACSI has a highly regarded Christian accreditation program for member schools with its newly finalized protocol, [Inspire](#). This vigorous, holistic process of organizational appraisal and improvement engages schools so that they can truly flourish.

Accreditation through ACSI allows schools to assess their performance in multiple foundational areas of Christian education. These areas include biblical knowledge and worldview; academic excellence; student engagement and practical application of knowledge; and character building and spiritual formation.

Students who graduate from ACSI-Accredited Christian schools qualify for admission to most colleges and universities. ACSI has partnerships with all of the U.S. regional accreditation agencies and offers joint accreditation with numerous accrediting organizations.

ACSI Senior Director of Accreditation and Credentialing, Stephen Deck, shared why accreditation is meaningful for schools.

“Accreditation documents that a school is true to its stated mission and helps schools determine their own effectiveness in fulfilling the accreditation standards through a peer-review process that culminates in an action plan for continued improvement,” he said. “Similar to the picture in Jeremiah 17:7-8 of a tree planted by the water sending its roots by the stream, ACSI Accreditation provides a structured process for a school to strengthen its roots, helping the school to flourish.”

### **About Grace Christian Academy:**

Grace Christian Academy, a ministry of The Lamb's Chapel, is a non-denominational Private Christian School which opened its doors in August, 2018 for students in grades Kindergarten through 3rd grade. For the 2025-2026 school year, we will have our FIRST EVER graduating class, offering K3 - 12th grade!

We seek to enroll students whose parents desire to partner with the school to ensure a Christian education. Our goal is to assist Christian parents in their mission to develop exemplary young disciples and citizens with superior academic preparation, a Christian faith ministry, and a biblical worldview. We will enrich the mind, body, and spirit as each student develops a strong relationship with Christ and others and becomes a light for the world. We look forward to the upcoming school year and all that God has in store for Grace Christian Academy as we teach, encourage, guide, and love young students.
