Department: STEM

Reports to: School Director

Effective date:

Job Type: Part-time

At Grace Christian Academy, our mission is **“To reach, raise, and release undeniable followers of Jesus Christ.”** At this blessed PK-11 school located in the flourishing county of Alamance, North Carolina, we accomplish our mission by coming alongside Christian parents in fulfilling their God-given mandate to train up their children in the discipline and instruction of the Lord (Ephesians 6:4). Our beliefs are as follows:

- **The Bible as the foundation of everything we do.** It is inspired, inerrant and transformative, speaking to every issue of life. 2 Timothy 3:16-17
- **Academic excellence.** The students we produce must be able to compete in today’s world and marketplace. Luke 2:52
- **A campus culture different from the world.** No worldly, vulgar, bullying or hatefulness; an immersive experience each day in school just like the environment we expect when we attend worship on Sundays. Acts 2: 44-47
- **A “Christ-centered” worldview.** Our students must be able to see the world through the eyes of Jesus. Romans 12:1-2
- **A spirit of entrepreneurialism.** We want our students to have the skills to be self-starters and world-changers. Proverbs 18:16
- **Valuing fine arts.** We want to provide students with the opportunity to thrive in creative, expressive ways. God is the greatest Artist of all. We desire to unleash this in people and harness the arts for His glory. Psalm 150
- **Development of servant leadership.** We need a generation of leaders who understand servanthood and Christlikeness. Matthew 25:34-40
- **A strong spirit of patriotism and love for country.** Our nation is not perfect, but it has been exceptionally blessed by God. We support our military, pray for our leaders, and honor our flag. Romans 13:1-7

Job Description

Grace Christian Academy is looking for an outstanding middle school STEM teacher who is eager to integrate biblical truth into the content and methods of teaching. This position requires the ability to collaborate with a team and the willingness to embrace the core values of the school.

Requirements

We need passionate people with:

- A professing and active Christian faith.
- A Bachelor's degree preferred.
- Previous experience teaching middle school-age students preferred.
- A shepherd's heart for middle school students.
- A growth mindset and a commitment to lifetime learning.
- Advanced experience with technology, including Google, Smartboards and Chromebooks, etc.

The job entails:

- Demonstration of a biblical philosophy of education.
- Mastery over subject matter and the ability to invite and nurture students in the learning process.
- Modeling respect, dignity, and love, exhorting others to do the same.
- Creating and sustaining a well-managed, self-contained classroom.
- Developing and executing long-range and daily lesson plans consistent with the GCA curriculum.
- Appropriately using a variety of instructional and evaluative skills and techniques.
- Interacting professionally and biblically with colleagues and parents.
- Joyful and faithful commitment to serving and demonstrating "others-centeredness."
